

DEPARTMENT OF INFORMATION AND COMMUNICATION TECHNOLOGY
PROJECT 2 | SESSION: 2 2024/2025

COURSE CODE: DFT40163	COURSE NAME: WEB DESIGN TECHNOLOGY
CLO 1: Construct the HTML, CSS, JavaScript and jQuery in developing an interactive web page that can be published on web browser (P4, PLO 3)	
TOPIC : 4 - 5	
NAME : <ul style="list-style-type: none"> • KERRTANAA A/P R THANABAL • JOVITA JANE A/P FRANCIS DRAKE • MUHAMMAD HAZIQ HAKIM BIN MOHD LOQMANUL HAKIM 	REGISTRATION NO : <ul style="list-style-type: none"> • 10DDT23F1023 • 10DDT23F1001 • 10DDT23F1056
CLASS : DDT4A	DURATION : 16 hours

CLO	MARKS
CLO 1P	/50
Total marks	/100

PROJECT 2: CHARITY & FUNDRAISING WEBSITE (ADVANCED DEVELOPMENT)

INTRODUCTION

Based on the website that has been produced in **Project 1 (Charity & Fundraising Website)**, you are required to enhance the website by applying **JavaScript and the Mobile Web Framework**. This project focuses on adding interactivity and responsiveness to improve user experience. **(CLO1, P4)**

Here is a list of features that need to be implemented on the website for **Project 2**:

QUESTIONS (CLO1, P4)

1. JavaScript Functionalities Implementation

Enhance the website by integrating JavaScript for interactivity. The following features must be included:

a) Conditional Statements

Implement a **donation eligibility check**. Example: If the donation amount is **below a minimum limit**, display an alert message.

b) Alert Method

Display an alert when users **successfully submit a contact form** or make a donation.

c) Form Validation

Validate the **donation form** to ensure that required fields (Name, Email, Amount, Payment Method) are filled before submission.

Validate the **Contact Us form** to check for missing or invalid input.

2. Website Interactivity Enhancements

a) **Dropdown Menus**

Implement a dropdown navigation menu for better accessibility on mobile devices.

b) **Slide Show Effects**

Add a **slideshow for fundraising campaigns** on the homepage to display different charity events dynamically.

d) **Date and Calendar Integration**

Include an **event calendar** to display upcoming charity events or volunteering schedules.

3. Mobile Web Framework Implementation

a) **Integrate JavaScript in HTML Files**

Organize JavaScript files separately and ensure proper linkage within HTML files.

b) **Optimize the Website for Mobile Viewing**

Apply a **mobile web framework (Bootstrap or similar)** to enhance responsiveness.

c) **Host All Files for WebApps Application**

Ensure all project files (HTML, CSS, JavaScript, images) are properly hosted in a structured folder for deployment.

d) **Implement WebApps Best Practices**

Ensure **efficient scripting** and **structured coding** to meet WebApps development requirements.

All the Best!

INFORMATION AND COMMUNICATION TECHNOLOGY DEPARTMENT
PROJECT 2 RUBRIC | SESSION: 2 2024/2025

COURSE CODE	DFT40163		COURSE NAME	WEB DESIGN TECHNOLOGY	
ASSESSMENT TASK	PROJECT 2		LECTURER'S NAME	PN. SHU HAILA BINTI MOHD YUSOF	
STUDENT'S NAME	1	KERRTANAA A/P R THANABAL	REGISTRATION NUMBER	1	10DDT23F1023
	2	JOVITA JANE A/P FRANCIS DRAKE		2	10DDT23F1001
	3	MUHAMMAD HAZIQ HAKIM BIN MOHD LOQMANUL HAKIM		3	10DDT23F1056
	4			4	

Criteria / Score	Excellent 4)	Good (3)	Satisfactory (2)	Needs Improvement (1)	Student's Score (out of 4)	Weight (%)	Marks (Score × Weight / 4)
A - JavaScript Functionalities Implementation							
Conditional Statements	Properly implemented with clear logic and correct functionality	Implemented correctly but minor logic issues	Basic implementation with errors	Attempted but incorrect output		40%	0
Alert Method	Alert works correctly in all required scenarios	Alerts implemented but minor errors	Alerts used but missing in some areas	Alerts attempted but do not function correctly			
Form Validation	Fully functional validation with all required checks	Validation works but missing minor elements	Basic validation but not fully effective	Attempted validation but errors exist			
Dropdown Menus	Fully functional and user-friendly dropdown menu	Dropdown implemented with minor issues	Basic dropdown but usability issues exist	Attempted dropdown but not functional			
Slide Show Effects	Smooth and dynamic slideshow	Slideshow present but minor performance issues	Slideshow implemented but static or slow	Attempted but not functional			
Date and Calendar Integration	Fully functional and interactive calendar	Calendar implemented but minor bugs	Calendar present but not interactive	Attempted but not working properly			
A					0		

B - Mobile Web Framework Implementation							
JavaScript Integration in HTML Files	Well-organized and properly linked JavaScript files	JavaScript linked with minor organization issues	JavaScript included but disorganized	JavaScript present but incorrect linking		30%	0
Website Optimization for Mobile Viewing	Fully responsive design with mobile framework applied	Responsive with minor display issues	Basic responsiveness but not fully optimized	Attempted responsiveness but errors exist			
WebApps Hosting & File Organization	All files correctly structured and hosted	Well-organized but minor hosting issues	Files hosted but some issues in structure	Attempted hosting but disorganized files			
WebApps Best Practices	Clean and efficient coding structure	Proper coding with minor inefficiencies	Some best practices followed but needs improvement	Attempted but not well-structured			
B					0		
C - Overall Web Design, Coding, Report/Documentation & Timely Submission: (20 marks)							
Layout & Navigation	Well-structured and intuitive navigation	Good navigation with minor improvements needed	Basic navigation but not fully user-friendly	Poor navigation structure		30%	0
Color Scheme & Typography	Professional and visually appealing design	Good color and typography with minor issues	Basic but acceptable design	Poor contrast or readability issues			
User Experience	Highly interactive and engaging	Good interactivity but minor issues	Basic usability but not fully optimized	Poor interactivity and engagement			
Use of Media (Images/Video): Quality & Relevance	High-quality and relevant images/videos	Good use of media with minor issues	Basic media usage but not fully relevant	Poor quality or unrelated media			
Code Readability	Clean, well-documented code with clear structure	Code is readable but minor inconsistencies	Basic readability but needs improvements	Poorly structured and difficult to read			
Code Efficiency	Code is optimized for performance and efficiency	Code is mostly optimized with minor inefficiencies	Code is functional but not optimized	Code runs but is inefficient			

Report/Documentation: Completeness & Clarity	Well-organized and detailed report	Good documentation with minor missing details	Basic report but missing some key points	Poorly written or incomplete report		
Submission Time	Submitted on time	Submitted 1 day late	Submitted 2 days late	More than 2 days late		
C					0	
TOTAL SCORE (100M) A + B + C						0

Note:

If any required section or task outlined in Project 2 is missing or incomplete, a score of **ZERO** will be given for that specific section, regardless of the rubric criteria. Ensure all sections are fully completed to be eligible for grading

ANSWER

CODING FOR EACH HTML FILES

File name: **index.html**

Copy & paste the coding here.

<section class="content">
  <h2>About Our Charity</h2>
  <p style="text-align: left;">We are committed to assisting individuals in need by giving necessary resources, assistance, and opportunity to improve their lives.

  Our objective is to make a positive difference in communities by addressing important social issues like poverty, education, healthcare, and disaster relief.

  We work via various fundraising activities and partnerships to guarantee that individuals and families have the support they require to live better lives.

  We believe in the power of group action, and that every gift, volunteer, and act of kindness contributes to positive change.

  Compassion, honesty, and sustainability are key to our charity's mission. We try to empower individuals by not just giving emergency assistance, but also
  developing long-term solutions that promote self-sufficiency and

```

development.

</p>

<p style="text-align: left;">We can change things if we work together. Come along with us as we work to provide opportunity, support, and hope to those in most need.</p>
